RE: PROPOSED CLOSURE OF OLD MOUNTAIN ROAD AS SHOWN ON THE ATTACHED EXHIBIT

The Maryland Transportation Authority (MDTA), as part of the I-95 Express Toll Lane (ETL) project, is proposing to close Old Mountain Road in conjunction with the reconstruction of the MD 152 interchange.

As shown on the attached exhibit, this proposed closure will occur on the north and south sides of I-95. MDTA proposes to construct a cul-de-sac on the north side of I-95 and access to a park and ride on the south side.
