Dear Stakeholder,

On behalf of the US Department of the Treasury (Treasury), the US Army Corps of Engineers (USACE), Baltimore District, hereby announces that the Draft Environmental Impact Statement (EIS) for the proposed Replacement Currency Production Facility at the Beltsville Agricultural Research Center in Prince George's County, Maryland (Proposed Action) is available for a 45-day public review and comment period that begins on November 6, 2020 and ends on December 21, 2020.

Treasury and USACE prepared the Draft EIS in accordance with the National Environmental Policy Act of 1969 (NEPA). The Draft EIS analyzes the potential environmental and socioeconomic impacts of the Proposed Action. Treasury published the Notice of Availability (NOA) for the Draft EIS in the Federal Register on November 6, 2020. The NOA is attached to this message for further information.

The Draft EIS and supporting documents can be viewed and downloaded from the Project Website: Blockedhttps://www.nab.usace.army.mil/home/bep-replacement-project.

On December 2, 2020, Treasury will host a Public Webinar regarding the Draft EIS, and invites your participation. The Public Webinar is scheduled from 6:00 pm – 8:00 pm. The link to the Public Webinar will be made available on the Project Website; alternatively, you may call in by phone to 1-866-692-3580 using access code 130 592 2057. Verbal comments will be accepted during the public webinar.

In addition to submitting verbal comments during the Public Webinar, stakeholders may submit written comments on

the Draft EIS at any time during the 45-day public comment period by mail or email, or on the Project Website. A comment form is available for download at the Project Website provided above. Completed comment forms can be submitted as an email attachment to BEP-EIS@usace.army.mil <mailto:BEP-EIS@usace.army.mil> or mailed via US Postal Service to:

ATTN. Bureau of Engraving and Printing (BEP) Project EIS
US Army Corps of Engineers (USACE) Baltimore District Planning Division
2 Hopkins Plaza, 10th Floor
Baltimore, MD 21201

Comments on the Draft EIS are strongly encouraged. All project-relevant comments will be addressed in the Final EIS as appropriate.

Requests for a printed or electronic copy of the Draft EIS should also be sent to the email or postal address provided above. If you have any further questions about the Proposed Action, you may contact Mr. Harvey Johnson, USACE – Baltimore District, Programs and Project Management Division, by email at BEP-EIS@usace.army.mil <mailto:BEP-EIS@usace.army.mil> .

This notification may be forwarded to others who may have an interest in the Proposed Action and the Draft EIS. Thank you for your participation in the NEPA process.

Sincerely,
BEP Replacement Currency Production Facility Team
