Ref: Construction of Riparian Forest Buffer including fencing, trees, shrubs, and grasses

The USDA Farm Service Agency (FSA) has received an application to construct a riparian forest buffer and grassed established buffer under the Conservation Reserve Program. This project will include installing fencing, hardwood trees, shrubs, and grasses. The property is located on 13059 Old Annapolis Rd Mt. Airy, MD 21771 or more specifically Map 80/ Grid 0005/ Parcel 0011. The area is currently being used as marginal pastureland and cropland.

As part of our environmental review, FSA is requesting your assistance in identifying any cultural, environmental, or wildlife resources that might be adversely affected by this undertaking and or confirmation of any required permits for the project to move forward.

Accordingly, we are both officially consulting with you in regard to any additional information or comments you may wish us to consider in regard to this project, as well as seeking your confirmation/concurrence that there are no specific impediments or restrictions that will impede or limit this project or adversely affect the environment or other natural or cultural resources. Attached please find copies of supporting documentation and information for use in evaluating the impact of the proposal.

If we do not hear from you within thirty (30) days, we will assume there is no additional information to be considered in regard to the proposed project and the applicant may proceed. Thank you for your time and attention to this issue of mutual concern. If you have any questions or concerns in regard to this project, please be assured of our cooperation.

Sincerely,

Nicole Milbourne  
County Program Technician
