

Quick Reference Sheet

Grant#:

Project Title: Cherry Hill South Shoreline Gateway (Phase 3)

Description: Cherry Hill South Shoreline Gateway (Phase 3) will improve the Broening Park waterfront as a safer, more visible and connected gateway to the Middle Branch. The project will renovate public recreation facilities and strengthen the critical connection between Phase 2 at the MedStar Harbor Hospital property line and Middle Branch Park. Improvements will expand opportunities for walking, biking, gathering, boating, fishing and shoreline recreation while improving trail conditions, water access, visibility and the public waterfront experience. BCRP is the project sponsor, with South Baltimore Gateway Partnership (SBGP) serving as subrecipient and project implementer.
