Reply Due Date: 12/09/2026
Project Description: Town of Chesapeake City Lead Service Line Inventory and Replacements: Conducting a Service Line Inventory in the Town of Chesapeake City Area to Achieve Compliance with the EPA's Lead and Copper Rule Revisions/Improvements (LCRR/LCRI)
Project Address: Various Locations, Chesapeake City, MD 21915
Project Location: Municipality(ies) of Cecil-Town of Chesapeake City
Clearinghouse Contact: Rita Pritchett

Dear Mrs. Boyle:

Thank you for submitting your project for intergovernmental review. Your participation in the Maryland Intergovernmental Review and Coordination (MIRC) process helps to ensure that your project will be consistent with the plans, programs, and objectives of State agencies and local governments.

We have forwarded your project to the following agencies and/or jurisdictions for their review and comments: the Maryland Departments of Natural Resources, Transportation, and the Environment; Cecil County; and the Maryland Department of Planning including the Maryland Historical Trust. A composite review and recommendation letter will be sent to you by the reply due date. Your project has been assigned a unique State Application Identifier that you should use on all documents and correspondence.

Please be assured that we will expeditiously process your project. The issues resolved through the MIRC process enhance the opportunities for project funding and minimize delays during project implementation.

If you need assistance or have questions, contact the State Clearinghouse staff noted above at 410-767-4490 or through e-mail at rita.pritchett@maryland.gov. Thank you for your cooperation with the MIRC process.

Sincerely,

Jason Dubow, Director
Research, Review and Policy Division
