Project Location: Prince George's County - City of Laurel

Dear Mrs. Jester:

Thank you for submitting your project for intergovernmental review. Participation in the Maryland Intergovernmental Review and Coordination (MIRC) process helps ensure project consistency with plans, programs, and objectives of State agencies and local governments.

Notice of your application is being provided to State and local public officials through the ***Intergovernmental Monitor***, which is a database of projects received by the State Clearinghouse for Intergovernmental Assistance. This information may be viewed at http://apps.planning.maryland.gov/emircpublic/. The project has been assigned a unique State Application Identifier that should be used on all documents and correspondence.

A "Project Status Form" has been enclosed and should be completed and returned after you receive notice that your project was approved or not approved.

All MIRC requirements have been met in accordance with Code of Maryland Regulations (COMAR 34.02.01.04-.06) and this concludes the review process for the above referenced project. If you need assistance or have questions, contact the State Clearinghouse staff noted above at 410-767-4490 or through e-mail at sophia.richardson@maryland.gov. Thank you for your cooperation with the MIRC process.

Sincerely,

Jason Dubow, Director
Research, Review and Policy Division
