Re**: Review of Point Lookout State Park Application for F-FWS-WSFR-26-004**

To Whom it May Concern:

Staff from the Engineering & Construction Unit will apply to the U.S. Fish and Wildlife Service for Boating Access grant funding which is used to increase opportunities for boaters to access the water. Enclosed please find the following items which we request you circulate for coordinated review:

1. Grant Application (includes narrative, scope, budget, etc.)
2. SF 424

Please initiate the required Maryland Intergovernmental Review and Coordination. Any questions can be directed to jenniferl.jackson@maryland.gov.

Respectfully,

Jennifer Jackson
